To Whom It May Concern,

Batya Harush-Etrog taught at our school in the year 2001 as a teacher of communication.

Batya created very quickly warm and positive connection with the students in the Radio class. She dedicate the needed hours for the success of the students. She expose willingness to assist and to integrated in the school staff work and took for her self extra assignments as needed.

I convinced with Batya's high skills, and wish her all the luck and willing to answer by heart to recommend to you about Batya's high abilities.

Thank you for your attention.

Sincerely,

David Ben-Zohar
